Information and Rules

Questions Before the Show: Email us at vwec.org@live.com or call Show Coordinator Bill Walker at 720 298 8115. Leave a message.

Questions During the Show: Visit the Volkswagen Enthusiasts of Colorado Headquarters Canopy.

Canopies: Canopies enhance everyone's experience at the show, and we hope to continue to allow them at future VWOTG car shows. However, blowing canopies have damaged expensive show cars in past VWOTG shows! Many California shows don't allow them at all due to ongoing problems. The wind comes up in the afternoon. If your canopy seems unstable, be proactive; don't wait for us to ask you to take it down. The best option is to have stakes, weights, sandbags, etc., to weigh all four legs of your canopy down. **You are liable for any damage your canopy causes.**

Pro Tip: The website is noted in the header. The Car Show section on that site will answer many of your questions and give you a better idea of what the show will be like in this location. Here is the link: <https://www.govwec.org/faq/>
